

Directions to American Consulate from Kyushu Expressway

Exit the Kyushu Expressway at the Daizaifu Interchange, staying in the right-hand lanes that connect to the Fukuoka Urban Expressway. Continue on expressway heading towards Fukushige and Momochi area. Pass the Fukuoka airport on the right, but do not get off the expressway. When you reach the Chidoribashi junction, stay in the left lane that continues to Fukushige and Momochi. You will then pass an exit to Tenjinkita and continue on the expressway over a large bridge. Stay in the left lane and take the Nishikoen exit. As you exit the freeway, stay in the left lane and merge directly onto Yokatopia-dori. At the next major intersection, turn left onto Kuromongawa-dori (a four-lane road). Continue until you reach the Kuromonbashi intersection with Meiji-dori (a major six-lane road). From this point, if you continue straight ahead, the Consulate is two blocks further along on the right. No parking is available right at the Consulate, however; so if you need to park, turn left at the Kuromonbashi intersection onto Meiji-dori. At the second stoplight, turn right into the Ohori Park parking area (fee parking) and walk from there to the Consulate.
